THE PROGRAM

Offered jointly with CU Denver’s Center for International Business Education and Research (CIBER), the International Entrepreneurship Badge is an exciting, 4-course non-degree certificate program in International Entrepreneurship. Designed with the global entrepreneur in mind, the certificate empowers students with a balanced synergy of educational fundamentals and experiential opportunities needed to succeed internationally. The badge is a Visa-approved program for international students.

Students currently pursuing the 3-course non-degree certificate in entrepreneurship may add on one additional international entrepreneurship course and qualify for the badge. Students who wish to complete the badge and wish to further pursue more advanced degrees in the Business School may get credit for some or all of the courses already taken, depending on the discipline they wish to specialize in. Performance in these courses may also be looked at favorably, particularly if the courses taken are relevant to the selected discipline. Please contact the appropriate discipline director for more information.
